**The ultimate karaoke
experiences for your event**

Lucky Voice What we do

We have bars located in Soho, Islington and Brighton, as well as a number of franchised venues around the UK.

In addition to our bars, Lucky Voice has a number of event products enabling the Lucky Voice experience to come straight to you!

Lucky Voice aims to spread happiness through unforgettable singing experiences – why not use us for your next event?

Lucky Voice Bars

Our Lucky Voice venues all have a cocktail bar and a number of private karaoke rooms ranging in size.

Each karaoke pod includes:

- ♥ 15" touchscreen interface
- ✦ Lucky Voice's online catalogue of 9000+ songs
- ✦ Our best-in-class karaoke software, Lucky Voice Enterprise
- ♥ 32 inch LCD lyric screen with HDMI/scart input
- ✦ Bose speakers
- ♥ Two Shure SM58 professional wireless microphones
- ♥ Free wifi
- ✦ Our iconic "Thirsty" button for food and drinks service
- ✦ The Lucky Voice prop box to get the party started!

Lucky Voice Soho

Soho is Lucky Voice's flagship bar located in the heart of London's West End.

The intimate bar area fits 90 people along with 9 pods catering from 4-12 people. In addition to this, Soho comes fully equipped with a private photobooth and 40" widescreen 1080p TV in the bar, which can be used for display purposes.

pop-upkaraoke.com

Starting from **£1300** for London based hire including two operators for the night. For a quote get in touch with thomas@luckyvoice.com

Lucky Voice Live

Make your guests the stars of the show!

Using the same software as our bars, Live powers mass Lucky Voice singalongs that make for unforgettable crowdsourced entertainment.

Requirements

Live is provided on a Surface tablet and easily hooks into a venue's PA system. The venue will need to have:

- ♥ Screen
- ♣ Audio mixer
- ⌘ Speakers
- ♥ Mics

We can supply quotes for these via our preferred AV supplier if required.

Live also works brilliantly as a hosted experience, for which we can provide a compere.
